“ As I am the sole caregiver to a disabled parent, the scholarship allowed me to ... concentrate on my studies.

My greatest achievement, a 4.0 GPA , was the proudest moment of my educational career and only possible because of this scholarship.

My dream is coming true and it is because of the generosity of those in our community and the members of our Chamber of Commerce.

”

The Margaret Starkey Scholarship is a program of the Howell Area Chamber of Commerce Foundation

Your donation to the Margaret Starkey Scholarship fund makes a big difference in the life of a working student struggling to get ahead. Up to \$15,000 is awarded each year to students who are nominated by their employers.

This scholarship of the Howell Area Chamber of Commerce Foundation honors the memory of Margaret Starkey, who died in 2002. Margaret proudly served as executive assistant at the chamber for 31 years until she retired in 1987.

Mrs. Starkey was dedicated and enthusiastic, a woman who had great attention to detail and a love of community service. These outstanding personal qualities helped her achieve great success despite big obstacles in her life.

It is this spirit the scholarship honors. The non-traditional students who receive scholarships in Margaret Starkey's memory each year best exemplify her personal qualities.

It is an honor for the Howell Area Chamber of Commerce Foundation to reward employees for outstanding service and encourage educational advancement.

We hope you will consider being part of this rewarding scholarship program with a generous donation.
